Dear Filing Clerk:

Re: Tariff filing of Southwestern Bell Telephone Company d/b/a AT&T Texas pursuant to PURA § 52.007(d-2)(1)

Attached for filing are the original and five copies of the following tariff sheets for Southwestern Bell Telephone Company d/b/a AT&T Texas. With this filing AT&T Texas is making nonsubstantive modifications to the terminology used with listings and directories in several tariff sections. The change in terminology is to allow for listings that do not appear in a printed directory in areas where directories are no longer published in print format.

PAY TELEPHONE EXCHANGE ACCESS SERVICE

2. GENERAL - (Cont'd)

2.6 The PTEAS customer shall sign an agreement to indemnify and hold Southwestern Bell Telephone Company harmless from any and all loss, damage and expense occasioned by or arising out of claims for injury to persons or damage to property caused by or contributed to by the provision of detailed toll billing records {2} to the PTEAS customer by Southwestern Bell Telephone Company, including but not limited to, any disclosure of said detailed toll billing records by the PTEAS customer.

The PTEAS telephone number will be omitted from the directory, where available, and the Company's Listing Information System records at no additional charge. (T) (T)

2.7 At the customer's request, a primary listing will be provided at no charge in the local telephone directory, where available, for the exchange where the service is provided, otherwise in the Company's Listing Information System. For further information on the rates and regulations for listings, please refer to 'Listings' found in Part 11, Section 2 of the AT&T Texas Guidebook. (T) (T)

2.8 Pay telephone service providers using automated call completion technology to complete operator service calls may request the information and services described in clauses (A) and (B) of this paragraph from SWBT. The service and/or information will be provided at the same prices, terms and conditions as provided to any other interexchange carrier if requested prior to December 31, 1991.

(A) Validation information (e.g. whether an access line is equipped with billed number screening, or whether an access line is a pay telephone) will be made available through SWBT's own data base, by making arrangements with another local exchange carrier to provide the information or by making arrangements with a third-party vendor.

(B) Billing and collection services will be offered. However, if validation information is available for calls that the pay telephone service provider (or a third-party billing and collection agent operating on behalf of the pay telephone service provider) will bill through SWBT, the pay telephone service provider is required to validate the call and is allowed to submit the call for billing only if the call was validated.

2.9 SWBT will not initiate a maintenance service call or take any other action in response to a trouble report on a PTEAS line until such time as requested by the pay telephone owner or its agent. The pay telephone owner must keep SWBT advised of the identity of the pay telephone owner or agent authorized to request a maintenance service call.

{2} Detailed toll billing records include only toll calls billed by Southwestern Bell Telephone Company.

DEER PARK EMERGENCY NETWORK SERVICE

2. Rules and Regulations

- 2.1 Deer Park Emergency Network Service (ENS) is available only to those organizations and individuals with a bona fide need to respond to and manage emergency situations. An application for service must be submitted to the Local Emergency Planning Committee (LEPC) for the location where the service is to be provided. The application will be forwarded by the appropriate LEPC to the Deer Park Local Emergency Planning Committee (Deer Park) for final review and approval. Deer Park will then forward the request to SWBT for implementation. In unusual circumstances, and at Deer Park's discretion, an application for service may be submitted directly to Deer Park. In no case will SWBT accept service applications directly.
- 2.2 The tariff monthly rates, service connections, moves and changes, installation charges and service establishment charges specified in the tariffs of SWBT will apply for all services and equipment where appropriate. A Special Installation Charge will apply to all customers ordering ENS. The Special Installation Charge as set forth in paragraph 6 is applicable for and in addition to any existing nonrecurring charges for any other SWBT tariff service.
- 2.3 This is a limited scope service offering and will be available only in those serving central offices as listed in paragraph 1.4, except as otherwise provided under paragraph 1.5.
- 2.4 Sufficient securable floor space and the necessary power wiring, power outlets, commercial power and conduit for the operation of tariff services are furnished by the customer who assumes all responsibility for the safe condition of such floor space, wiring, outlets, power and conduit.
- 2.5 Listings are not provided with this service. (T)
- 2.6 Special Service Arrangements consist of modifications of standard tariffed services and as provided in Part 2, Section 7 of the AT&T Texas Guidebook. Special Service Arrangements will be furnished, when practicable, by SWBT at charges equivalent to the cost of providing such arrangements if in connection with and not detrimental to any of the services furnished under SWBT tariffs or Guidebooks.
- 2.7 Temporary suspension of service is not provided for any part of ENS.
- 2.8 The rates for ENS do not include, and SWBT does not undertake, inspection or constant monitoring to discover errors, defects, and malfunctions of the service. The customer has the responsibility to report all errors, defects, and malfunctions in the service to SWBT.
- 2.9 The Deer Park LEPC may assign its coordination and approval duties to a successor entity. However, SWBT reserves the right, upon notice of good cause to the successor entity, to discontinue Emergency Network Service.
- 2.10 ENS shall not be shared or jointly used and resale is prohibited.

REGULATIONS

2. General Regulations (Cont'd)

2.4 Deposits (Cont'd)

2.4.2 If service is not connected or after disconnection of service, SWBT shall promptly and automatically refund the CMC's deposit plus accrued interest or the balance, if any, in excess of the unpaid bills for service furnished. A transfer of service from one premises to another within the service area of SWBT shall not be deemed a disconnection within the meaning of these rules, and no additional deposit may be demanded unless permitted by this and other sections of this tariff.

2.4.3 When the CMC has paid bills for service for twenty-four (24) consecutive billings without having service disconnected for nonpayment of bills and without having more than two occasions in which a bill was delinquent, and when the CMC is not delinquent in payment of the current bill, SWBT shall promptly and automatically refund the deposit plus accrued interest to the CMC in the form of cash or credit to a CMC's bill.

At the option of SWBT, such a deposit may be refunded or credited to the account when the CMC has established credit or after the CMC has established a one-year prompt payment record at any time prior to the termination of the provision of the service to the CMC.

2.4.4 Service may be discontinued for failure to furnish a suitable deposit within thirty days after SWBT has mailed notice to the CMC at the billing address appearing on SWBT's records requiring the CMC to furnish such deposit.

2.5 Listings

(T)

2.5.1 Listings are not included in the rates and charges for this service.

(T)

2.5.2 Regular extra listings and special types of extra listings will be furnished at rates specified in Part 12, Section 1 of the AT&T Texas Guidebook for use in connection with the CMC's patron listings.

2.5.3 SWBT's liability for damages arising from errors or omissions in the making up or printing of its directories, where available, or its Listing Information System, or in accepting listings as presented by customers or prospective customers shall be limited to the amount of actual impairment of the CMC's service, and in no event shall it exceed the amount paid for the service during the period covered by the directory in which the error or omission occurs.

**TELEPHONE NUMBERS
RATES AND REGULATIONS**

1. General

- 1.1 Telephone numbers in this section are provided solely in conjunction with the services in this tariff and are subject to the following limitations:
- 1.2 Telephone numbers are available as a NXX Code (10,000 numbers) or in groups of 100 or 1000 numbers. However, an entire NXX Code is required for Type 2A Service.
- 1.3 In a CGSA with more than one Number Plan Area (NPA) and tandem offices in each NPA, request for tandem Type 2A connections with separate NPA-NXX Codes will require separate connections and separate dedicated NXX Codes at each tandem office.
- 1.4 Telephone numbers are furnished subject to the availability of facilities and numbers in a manner consistent with code conservation in the administration of the North American Numbering Plan.

Operational characteristics of interface signals between SWBT-provided connecting arrangements and the CMC's switch must conform to the regulations SWBT considers necessary to maintain proper standards of service.

SWBT shall not be responsible to the CMC or its customers if changes in protection criteria or in any of the facilities, operations or procedures of SWBT render any facilities provided by the CMC obsolete or require modification or alteration of such equipment or system or otherwise affect its use of performance.

- 1.5 The CMC must provide intercept of unassigned numbers within their authorized NXX Code or telephone number groups.
- 1.6 The charges for telephone numbers are found in 3.1.
- 1.7 Listings will be provided in accordance with the regulations of Part 12, Section 1 of the AT&T Texas Guidebook for business extra listings. Telephone numbers furnished herein are not entitled to free listings. (T)
- 1.8 Upon assignment of an NXX Code or telephone number group, the CMC shall acquire and retain the same rights to those numbers as a local exchange company (LEC) assigned NXX Code by SWBT. SWBT reserves the right to reclaim unused NXX Codes and telephone number groups from a CMC on the same basis and in the same manner that it does from LECs. (T)
