ORDERING FOR ACCESS SERVICE

5.2 Access Order (Cont'd)

5.2.5 Shared Use Facilities

Shared Use (i.e., Switched Access and Special Access services provided over Special Access facilities) is allowed. All Shared Use facilities will be ordered and provided as Special Access. While Shared Use is allowed, individual services utilizing these facilities must be ordered either as Switched Access Service or Special Access Service. When placing an order for the individual service(s) the customer must specify a channel assignment for each service ordered. Shared Use of Switched Access facilities (i.e., Special Access Services provided over Switched Access facilities) is not allowed.

SPECIAL ACCESS SERVICE

7.2 Rate Regulations (Cont'd)

7.2.10 Shared Use Analog and Digital High Capacity Services

Shared Use occurs when Special Access Service and Switched Access Service are provided over the same High Capacity Services Special Access facility through a common interface. The Special Access monthly rate for the specific type of Special Access Service that is provided (e.g., Voice Grade{1}, Telegraph{1}, Channel Termination, Channel Mileage, if applicable, and multiplexer) will apply, regardless of whether any individual channels of the Shared Special Access facility are used for Special Access Service, Switched Access Service, or any other type of service. The practice known as "ratcheting" (to apply non-Special Access rates on a proportional basis) shall not apply in any circumstance.
