MESSAGE TOLL SERVICE – 2PIC WINBACK RATE PLAN**A. DESCRIPTION**

Ameritech's 2PIC Winback Rate Plan is an optional plan that provides business customers with a special rate for intrastate intraLATA Message Toll Service.

B. TERMS AND CONDITIONS

1. Business customers that are currently using another carrier for their intraLATA toll service and now wish to have AT&T provide their intraLATA toll service, and have refused a previous offer from AT&T, and agree to a twelve (12) month term will receive a \$0.065 per minute of use rate. (C)
2. The \$0.065 per minute of use rate is only applicable to customer dialed, station-to-station calls. Operator handled calls are not included. (C)
3. At the expiration of the twelve (12) month term, the customer will have the opportunity to select another optional calling plan or the rates will revert to the "standard" intraLATA toll rate schedule.
4. If the customer terminates the plan prior to the expiration of the term, the customer will be billed a lump sum termination liability of \$200.00.
5. This plan is available in all AT&T Wisconsin exchanges; however, it is applicable only to intraLATA toll calls within the customer's home LATA. (C)
6. This rate is not available on coin telephone service.
7. This offer cannot be combined with any other optional calling plan on the same line.
8. Service Establishment and Monthly Recurring Charges are not associated with this plan.
9. The per minute rates are billed in increments of eighteen (18) seconds and additional increments of six (6) seconds or fraction thereof.
