

1. GENERAL

An application for service, whether made orally or in writing, establishes the contract between the Company and the Carrier on the terms and conditions set forth in this tariff. Neither the contract nor any rights acquired thereunder may be assigned or in any manner transferred to a third party by the Carrier, without the Company's written approval.

2. SERVICE ORDERING, LINE CONNECTION AND OTHER CHARGES

As set forth in Part 3, Section 1 of this Tariff, service ordering and line connection charges will apply to both new Carrier's customers and the switch of an existing Carrier's customer. These charges apply in addition to any other scheduled rates and charges normally applying under this tariff. These charges also apply in addition to and not in lieu of Channel Charges, Initial Nonrecurring Charges or Construction Charges made because of unusual cost in establishing service.

2.1 Service Ordering Charges

2.1.1 Nonelectronic Service Order Processing

A. DESCRIPTION

Nonelectronic Service Order

"Nonelectronic Service Order" means new, add or change, assume, disconnect, record, change and to/from orders at the Carrier's customer's same location and same billing telephone number which are submitted by Carrier to Company using a means other than electronic interface.

Nonelectronic Service Order Format

All Nonelectronic Service Orders must be submitted in a standard, legible typewritten format provided by the Company.

Nonelectronic Service Order Forecast

Carriers submitting Nonelectronic Service Orders shall provide Company a forecast prior to the time they first submit orders under this tariff and then prior to the first business day of every month thereafter, on a three (3) month rolling basis (current month and the two succeeding months). The forecast shall be developed using standard commercial and industry practices and procedures, including but not limited to, each Carrier's daily demand data updated to reflect actual demand. The forecast shall be submitted in a standard format provided by the Company.

Carriers submitting fifteen (15) orders or less per day, per state will not be required to provide a forecast.
