BUSINESS CATEGORY SEARCH

A. DESCRIPTION

1. Business Category Search will provide Carrier's customers with the ability to request telephone number listings for a specified category of businesses, when they do not know the name of the business they are seeking. Requested telephone number listings can be searched for in the local calling area, as described in Part 4, Sections 1 and 2, of the AT&T Wisconsin Guidebook or outside the Carrier's customer's home numbering plan area (HNPA), as described in Part 9, Section 4, of the AT&T Wisconsin Guidebook. Information Call Completion is offered with Business Category Search for telephone number listings within the Carrier's customer's home numbering plan area. The service is available where facilities permit.

The Company searches and retrieves listings that match the Carrier's customer's requested business category for the requested city/locality. The Company searches and retrieves listings within a pre-defined radius of a center point in the city/locality.

2. Telephone calls by Carrier's customers for telephone number listings will be answered and numbers given by an Audio Response Unit (ARU). (C)
3. A maximum of three requested telephone number listings will be provided for each Business Category Search call. (C)
4. The PRICES in Paragraph B. following apply for all calls for Business Category Search.
5. The Company shall not be liable for any errors or omissions, whether arising through negligence or otherwise, in the information furnished; and the Carrier's customer shall indemnify and save the Company harmless against all claims (including costs and reasonable attorneys' fees) that may arise from the use of such information.
