**F. Complete Choice Basic Offer**

Carriers with eligible residential customers who purchase and retain the Complete Choice Basic (CCB) package may receive a bill credit for 12 months on up to two (2) lines. The bill credit will provide a net price of \$12.83 for the CCB Package.

Carriers' eligible customers are those residential customers who have at least one local exchange access line or a substitute (e.g. wireless or VoIP service) with a provider other than the Carrier at a service location that can be served by the Carrier.

Eligible customers must request the qualifying service at the same address as the existing service, unless they are planning an imminent move--within 30 (thirty) days of responding to the offer--from one address in an AT&T incumbent local exchange service area to another address in an AT&T incumbent local exchange service area.

The Carrier's customer is required to subscribe to the Carrier for local service and the Complete Choice Basic package with Flat Rate service on each line (maximum of 2 lines) receiving a credit. If the Carrier's customer discontinues the Complete Choice Basic package, the credit(s) will cease.

This offer may not be combined with any other local service offers that provide a monthly recurring credit or discount, but may be combined with an offer that waives the non-recurring installation/service charge(s). The Carrier's customers must keep the required services for 30 days in order for the Carrier to receive the benefit of this offer.

This offer is not available to customers who are switching service between the Carrier's affiliated companies.

Effective December 15, 2015, this offer will no longer be available to new customers. Existing customers receiving benefits of this offer may continue to receive the benefit until the end of the 12 month period.
