SERVICE CONNECTION MOVE AND CHANGE CHARGES

Non-recurring business service charges for service connection, move and change apply as prescribed in Part 3 Section 1 of this tariff and are in addition to rates and any other charges specified under this tariff. Service charges apply to all services in this Tariff, including those for which no other non-recurring charge is applicable, except where specifically excluded.

/1/ Dedicated Communications Services Rates and Charges apply. When central office boundary changes are made due to area transfers or establishment of new central offices no increase in mileage charges will apply to existing service arrangements of Carrier's Customers as long as such Carrier's Customer remains at the same location.

/2/ Effective December 31, 2021, Ancillary WATS Service is withdrawn for residential customers.

2. ANCILLARY WATS SERVICE^{/1/} (cont'd)**2.4 ACOUSTIC, INDUCTIVE CONNECTIONS**

Where at the request of the Carrier for resale to its customer, the network protection criteria as specified in Part 2, Section 9, of this tariff are to be used at a specified location in connection with customer-provided data terminal equipment, a non-recurring charge identical to the Maintenance of Service Charge specified in Part 22, Section 2, applies to each WATS access line which requires a visit to the Carrier's Customer's premises by Telephone Company personnel to specify the level of signal power or to provide any conditioning required on the access line. The non-recurring charge does not apply if this work is performed at the same time the WATS access line is installed.

2.5 MAINTENANCE OF SERVICE CHARGE DUE TO CUSTOMER-PROVIDED EQUIPMENT AND FACILITIES OR COMMUNICATIONS SYSTEMS PROVIDED BY OCC'S

Charges for visits of Telephone Company personnel to Carrier's Customer's premises where a service difficulty or trouble report results from customer-provided equipment or communications systems or communications systems provided by OCC's are set forth in Part 22, Section 2, of this tariff.

2.6 SUPPLEMENTAL EQUIPMENT AND SERVICES

Directory listings may be furnished with 800 Service at the applicable rates for business additional listings as covered in Part 22, Section 12, of this tariff.

5. 800 CALLING PLANS^{1/}

(For service description, terms and conditions see Wisconsin Guidebook, Part 10, Section 2)

RATES AND CHARGES

The following monthly rates apply for each account established by carrier for resale to its customer. These rates are in lieu of the monthly rate for Custom 800 Service Common Line Termination.

These monthly rates are in addition to the monthly rates the Carrier would pay for Dedicated 800 Services access line(s) resold to its customer as provided in 4 preceding.

The TPP usage rates are based on per minute(s) of use.

The following usage charges apply to the service provided under a TPP based upon the hours (or fraction thereof) of use and the TPP selected by the Carrier for resale to its customer.

A \$11.90 Service Charge is applicable to Carrier's request to change existing service to add 800 Calling Plans. Service Order charges as contained in Part 22 Section 2 of this tariff do not apply to 800 Calling Plans. No charge is applicable to discontinue 800 Calling Plans.

BUSINESS CATEGORY SEARCH

A. DESCRIPTION

1. Business Category Search will provide Carrier's customers with the ability to request telephone number listings for a specified category of businesses, when they do not know the name of the business they are seeking. Requested telephone number listings can be searched for in the local calling area, as described in Part 4, Sections 1 and 2, of the AT&T Wisconsin Guidebook or outside the Carrier's customer's home numbering plan area (HNPA), as described in Part 9, Section 4, of the AT&T Wisconsin Guidebook. Information Call Completion is offered with Business Category Search for telephone number listings within the Carrier's customer's home numbering plan area. The service is available where facilities permit.

The Company searches and retrieves listings that match the Carrier's customer's requested business category for the requested city/locality. The Company searches and retrieves listings within a pre-defined radius of a center point in the city/locality.

2. Telephone calls by Carrier's customers for telephone number listings will be answered and numbers given by an Audio Response Unit (ARU).
3. A maximum of three requested telephone number listings will be provided for each Business Category Search call.
4. The PRICES in Paragraph B. following apply for all calls for Business Category Search.
5. The Company shall not be liable for any errors or omissions, whether arising through negligence or otherwise, in the information furnished; and the Carrier's customer shall indemnify and save the Company harmless against all claims (including costs and reasonable attorneys' fees) that may arise from the use of such information.
