Termination charges are equal to \$12.38 times the number of months remaining on the term commitment times the number of lines subscribed to on the initial order.

For Carrier's customers who initially subscribe to 20+ lines: in any month during the term of an AT&T Business Local Calling agreement if the customer's total number of subscribed lines falls below 80% of the number of lines subscribed to on the original agreement, then a shortfall adjustment charge will be applicable and will appear on the Carrier's bill for each of those months. This shortfall adjustment charge is equal to \$8.25 times the number of lines below the 80% requirement.
